OVER 25 YEARS OF STAR RECOGNITION

For a quarter of a century, the Democratic Women of North Carolina have lived the spirit of gratitude by honoring those whose actions speak louder than words. In that time, more than 800 STAR recipients have been recognized for their outstanding volunteerism, steadfast dedication, and inspiring leadership.

Today, we express our deepest appreciation to these honorees. Your service, commitment, and leadership have strengthened our communities, empowered women, and advanced the values we hold dear. You remind us that service is measured not in words, but in the impact of your actions.

Together, our STARS illuminate the path forward, reminding us of the power of commitment, community, and action in shaping a brighter future.
